

Meet the Artist - Wilfrid Wood

Wilfrid Wood
based
model maker
illustrator,
working in
London.

He trained in
Central St
before
building latex
TV
Spitting

is a London-
sculptor,
and
living and
Hackney, East

graphics at
Martins
landing a job
heads for the
programme

Image. Wilfrid has created likenesses of a variety of people from Wayne Rooney to Paul McCartney and his sculptures have since been exhibited all over the world.

Wilfrid's fascination with people and the belief that 'nature is much more interesting than your imagination', means he spends a lot of time studying characters he sees in the supermarket, on the bus and in celebrity magazines.
