1. **Welcome and Declarations of Interests**

1.1 Sir Nicholas Coleridge welcomed Trustees to the meeting.
1.2 There were no declarations of interest.

2. **Minutes of the Previous Meeting and matters arising**

2.1 The Minutes of the previous meeting held on 10 May 2023 were approved. There were no matters arising.

3. **Director’s Report**

3.1 The Director updated the Board on key activities of the Museum between 24 April and 18 June 2023, including the opening of Young V&A in Bethnal Green to very positive reviews in the media. Young V&A was now operating, and the visitors engaging and interacting in line with the vision for the new concept, and the sense of ownership and agency from young people between ages 0 and 14 was praised.

3.2 The Photography Centre Phase II had opened heralding the completion of a spectacular suite of seven galleries for photography at the V&A, the largest in the UK for a permanent photography collection.

3.3 The Board noted the recent exhibition attendances as well as the strong advanced sales for *DIVA* and *Gabrielle Chanel. Fashion Manifesto*. The maximisation of revenue from international touring exhibitions was discussed and the contribution from the American Friends of the Museum.

3.4 The Board requested an update on the status of pay negotiations with the Trades Unions, and it was noted that constructive discussions had been held and the V&A’s final offer was with the TU Side membership for consideration.

4. **Building Strategy Committee:**

4.1 **V&A East Update**

4.1 Tim Reeve, Deputy Director and Chief Operating Officer, and Claire McKeown, V&A East Project Director, updated the Board on the progress at V&A East, with the highlight being Practical Completion at the Storehouse on 18 June with the Collections move starting the following day.

4.2 The location for the David Bowie Archive had been agreed and would allow the greatest access to, and maximum benefit for, visitors and users of this collection.

4.3 The Stage 3 Gallery Designs for the new V&A East Museum were presented.

4.4 The Board noted that pressure on LLDC’s construction programme for the Museum meant that handover of the building is now scheduled for the end of September, with the V&A’s fit-out programme being reviewed to mitigate the risks to a Spring 2025 opening.

4.5 The Board reviewed the V&A East Budgets.

5.1 **Investment Policy**

Jane Ellis, Director of Finance & Resources, presented the Investment Policy to the Board which had been circulated in advance of the meeting following its approval at Investment Committee on 15 June. Jane Ellis highlighted changes from the Policy approved last year and the Board discussed investment strategy and impact. The Investment Policy was approved by the Board.

6. **Audit Committee:**

6.1 **V&A Annual Report and Accounts 2022-23**

Jane Ellis, Director of Finance & Resources, presented the Annual Report and Accounts to the Board. The Report and Accounts reflected the first full year of operation post pandemic. The Board noted the change in ratio of Government support to self-generated income as the Museum sought to build back membership and audiences. The level of reserves had been maintained.

The Board approved the V&A Annual Report & Accounts 2022-23 as circulated and presented.

6.2 **Annual Report of the Trustees’ Audit Committee to the Board of Trustees**

Jane Ellis, Director of Finance & Resources, presented the Annual report of the Trustees’ Audit Committee, which had been circulated prior to the meeting. 7. **Strategic Focus Item:** - Transform access to our collection as public assets, and broaden their creative relevance and social impact.

Tim Reeve, Deputy Director and Chief Operating Officer, and Nick Marchand, Head of International Programmes, updated the Board on progress against the V&A’s International Strategy. Particular focus was given to partnerships which extend the Museum’s reach to wider audiences, a very strong touring exhibitions programme in 2022/23 and for 2023/24, and to Brand Licensing performance which remained strongest in South-East Asia.
8. **Committee Focus: Buildings Strategy Committee**

Nigel Webb, Chair of the Buildings Strategy Committee, presented an overview of the work and priorities of this Committee which was responsible for Future Plan and the Capital Programme, the upkeep of the fabric of the estate and the development of the sustainability programme.

9. **Chairman’s Report**

The Chairman thanked Nick Hoffman, Chair of the Audit Committee and member of the Gilbert Collection Board, for his outstanding contribution to the Museum and its Collections during his tenure.
