## Cloakroom/Storage

The main museum has a paid cloakroom available near the main entrances at Cromwell Road and Exhibition Road. Please note, there will be no cloakroom available at the conference itself. Please avoid bringing large items, including bags or folding bicycles with you.

## Access

The conference will be starting at 12.30 promptly. There will be three breaks throughout the afternoon. We have no prescribed museum quiet room, but a quiet room will be clearly marked when the conference is in session.

The entrance to the Hochhauser auditorium is step-free and can be accessed by a lift by the Learning Centre.

British Sign Language is available on request and live captioning will be available all through the day via StageText.

We welcome suitably trained assistance dogs.

The nearest accessible toilets to the Hochhauser are on the ground floor of the Learning Centre. The nearest Changing Places Toilet is in the Science Museum, open from 10am to 6pm.

If you have any questions about step-free access or have any further questions regarding accessibility, please email [accessibility@vam.ac.uk](mailto:accessibility@vam.ac.uk).

## Getting to the Museum

The nearest step free stations are Earls Court (1.2 miles) and Knightsbridge (0.7 miles).

There is available blue badge parking on Exhibition Road, however it is not available to reserve.

For more information including a visual story and information on our toilets and other assistance visit our access page: <https://www.vam.ac.uk/info/disability-access>
