Design Changes
How We Travel

Most suitable
for ages 7-11

1

Draw a **special journey** along this line. Think about different places you might pass through, cities, water or even outer space!

2

Think about the type of transport you might need to take you on this **special journey**.

Look in the Design Gallery for different ways of getting around to inspire you.

Who or what will go on your journey?

.....

.....

How will your transport be powered to protect people and planet?
