

Welcome to Young V&A! We believe...

DESIGN IS OUR SUPERPOWER!

TEAM NAME:

Town Square

Look around! What patterns or shapes can you see? Take turns to sketch them below.

YOUR MISSION!

Discover how design can be used for good! Create a 'Design Hero' who will help people and the planet.

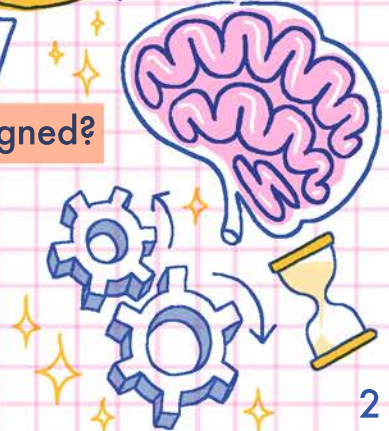

Discuss together: what is design?

Can you name 3 things which are designed?

- 1.
- 2.
- 3.

Imagine Gallery

IMAGINE

- Look at the objects in this gallery
- Select two objects
- Use these objects to imagine a world where your Design Hero lives

What does your imagined world look and feel like?

What sounds can you hear in your hero's world?

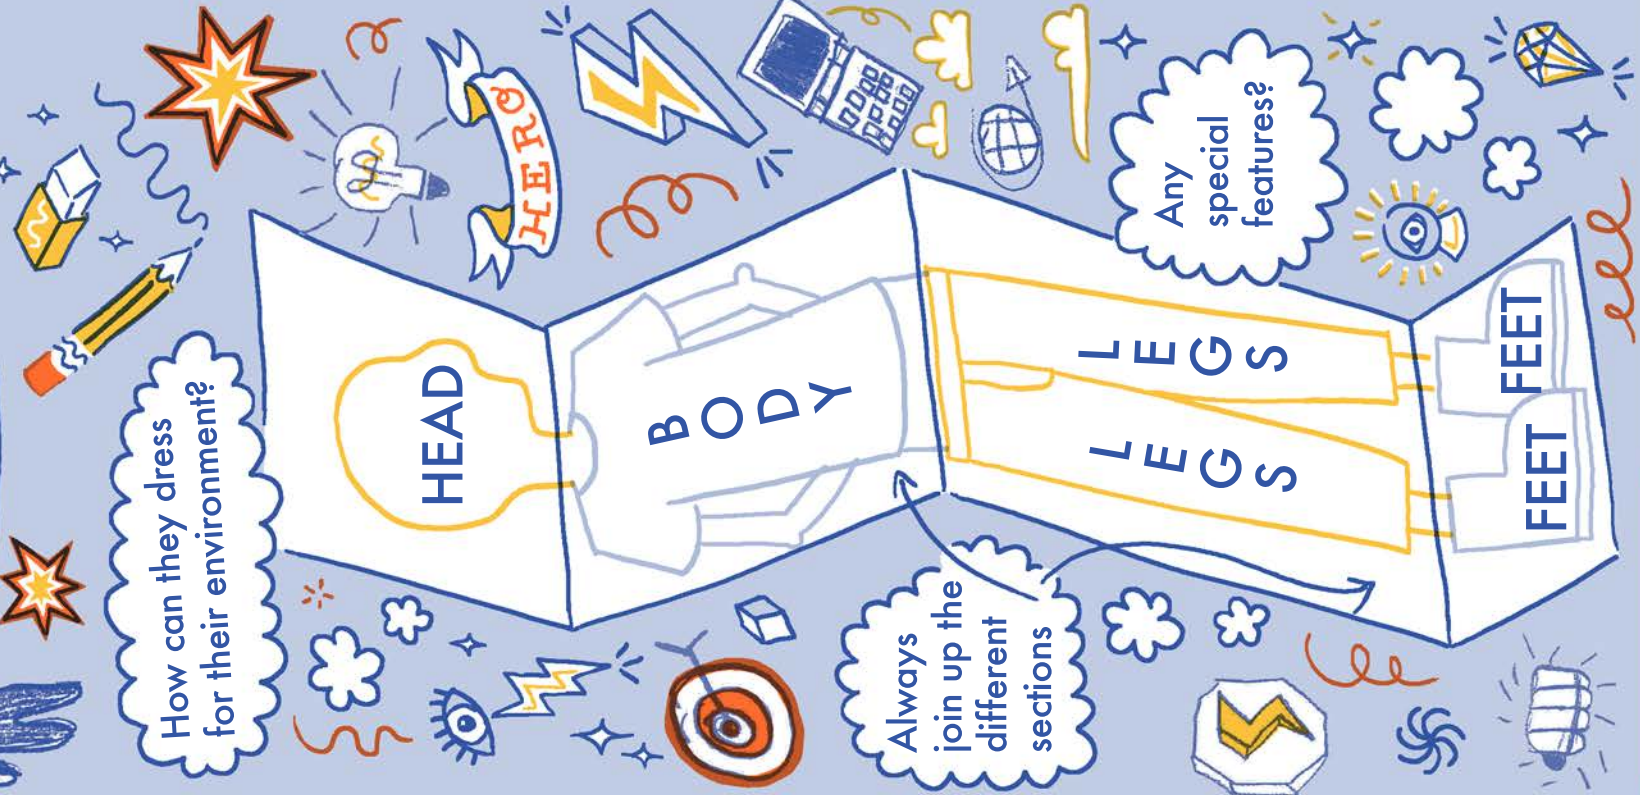

Use this space to draw and write your ideas:

Imagine Gallery

Take it in turns to draw the body parts of your Design Hero. Look at the objects in the gallery for inspiration

How can they dress for their environment?

Always join up the different sections

Any special features?

HERO NAME:

HEAD BODY LEGS FEET

A large rectangular area divided into four vertical sections by dashed lines, corresponding to the 'HEAD', 'BODY', 'LEGS', and 'FEET' labels above. This area is intended for drawing the character's body parts.

Play Gallery

Even heroes need time to play! Explore our Play Gallery to get your body moving and power up!

What do you think your Design Hero would like to play with and why?

Design Gallery

DISCOVER DESIGN

Here you can find objects that help people and the planet. Choose one object in the gallery and answer the questions below.

Draw your object:

Who uses this object?

Why did the designer make it?

What testing (prototyping) did they do?

How have they helped people or the planet?

Hero Arm

DESIGN *for*

GOOD

It is time for your Design Hero's superpowers to help people or the planet

Who is your Design Hero going to help?

Why do they need help?

What will your Design Hero create?

How does it help?

Draw your design here:

Get some feedback on your design, how might you adapt it?

Congratulations! You have achieved your mission.
