

Meet the artist - Matthew David Andrews

Hi I'm Matthew, I am 22 years old and I live in Essex. I studied fashion design and recently graduated from Central Saint Martins in London. My personality is extremely camp and expressive! Most days involve me working on professional projects for my brand or for a celebrity client. My childhood was filled with creativity and self-expression. I was always encouraged by my parents to explore my love for the arts. Some of my earliest memories are of me and my mum crafting in the kitchen, making treasure chests out of cardboard boxes - creating art from trash! I would also come home from school and select a topic out of the encyclopaedia, creating enormous displays on my bedroom walls about all the things I had made and learnt about the topic. This creativity has always been there from a young age and as an adult has become a huge part of my fashion design style!
